Refund Policy

In the event that a student authorization or visa cannot be obtained, the student decides not to attend, or leaves the International Education Program at Escondido Christian School, it is agreed that only a portion of the paid tuition fee will be refunded. In all cases, the registration fee will be retained to cover administrative expenses.

The following refund policy will apply for each school year for which a student is registered at ECS:

1. If the student authorization is not approved (original copy of rejection letter from the Embassy required) then full refund of paid tuition, excluding the registration fee, will be given.
2. If the student withdraws prior to the first day of school, two-thirds (2/3) of the paid tuition is refundable.
3. If the student withdraws within the first month of school attendance, one-half (1/2) of the paid tuition is refundable.
4. After one month of school attendance, there will be no refund of the paid tuition.

Dear International Student,

Thank you for your interest in attending Escondido Christian School. You will find all necessary documents linked to this page as well as on our website (www.ecslions.org). Please complete the documents and send to info@ecslions.org. Upon receipt of your application and fees, an administrator will contact you for a face-to-face or phone interview. After the interview and documents are completed, ECS will issue an I-20 for the student to take to the consulate to apply for an F-1 visa.
