2026-2027 Tuition Rates and Policies

Policies

Tuition Payment

All tuition, fees and other expenses are invoiced and paid through FACTS, a Nelnet company. Annual management fees for FACTS are paid by the school for one account per family. Additional accounts may be purchased for students with multiple family payers.

Tuition may need to be adjusted if rising costs cannot be met by current income.

Late Fees

A late fee of $25.00 will be charged for all tuition amounts that are past due. Any account delinquent more than 30 days may result in the child being withheld from attending until the account is brought current.

Early Withdrawal for the Preschool Educational Program

Enrollment in the Educational Preschool Program runs from September through June (10 months).
The program is budgeted and staffed based on enrollment at the beginning of the school year.

If you need to withdraw your student, the following tuition payment policy applies:

To avoid being charged for the following month, written notice of withdrawal for the September through April term must be received by the 15th of the current month. When notice is received on or before the 15th, tuition will not be charged for the following month, and the student may continue attending through the last day of the current month. Notices received after the 15th will result in tuition being charged for the following month, and the student may attend through the end of that paid month. Tuition is not prorated for partial months. Withdrawal notices submitted after April 15th will incur full tuition for both May and June regardless of attendance.

**Accommodations for urgent or extenuating circumstances may be considered; please contact administration to discuss.*

At the heart of our philosophy of Christian education is the firm conviction that the family and the church are the focus of moral and Christian character development in our community. The goal and desire of the staff and faculty at Escondido Christian School is to provide quality education while reinforcing and strengthening those values of Christian commitment expressed in our homes. We feel that Escondido Christian School students will benefit most if they have vital spiritual input from all three sources - the family, the school and the church.
